Christmas in July

Summer has finally arrived in Northern Wisconsin and we are already talking about “**Christmas in July**” at the Shabby Shed. We all know the wind off Lake Superior can drop the air temperature 30 degrees in minutes and give us a winter type chill in the middle of July. This however, is a different kind of “**Christmas in July**”. The Shabby Shed vendors are teaming up to bring you an assortment of Christmas decorations for your home. Come join the fun and see how adorable the shop is decorated for you, our customers. We’ll even see what we can do to conger up some Christmas cookies for the event. This **Christmas in July** sale will continue each Thursday all month long. Don’t miss the chance to see a different weekly special. This week enjoy \$2.00 off a 3 piece matching Peruvian necklace, earring & bracelet set.
